O R D E R

The attention of the Director of Public Health is invited to G.O.No. 2254 Public Health dated 3-7-48 (Copy enclosed) in which the Government have decided in connection wit the enforcement of the Employees' State Insurance Act, 1948, that a survey of the medical facilities now available in important industrial stations in this Province should be made with a view to decide the extent to which the existing facilities can be utilised for the provision of medical care and treatment of insured workers and the extension or improvement of such facilities required for purposes of the Act. The Government have sanctioned for the purpose the employment of two Civil Surgeons with the necessary subordinate staff, and the result of the survey is awaited. In the circumstances the Director of Public Health is informed that his proposals for the establishment of a Bureau of Industrial Hygiene should be de deferred for the present.
